

Muhammad Fahad Siddiqui

MERN Stack Mobile and Web App Developer

Hello, I am a MERN stack web and mobile app developer with 1 and a half year of experience. My passion for technology drives me to create innovative solutions that cater to the needs of my clients. I specialize in building scalable, efficient, and user-friendly web and mobile applications using the latest technologies and industry best practices. With my skills and expertise, I am committed to delivering high-quality products that exceed client expectations.
